Please circle the response that most accurately reflects your position on the following issues. Thank you.
 (S = Support; O = Oppose)

1. Allowing parents to use tax credits, vouchers, or education savings accounts to enable children to attend any public, private, or home school. S O
I support some tax credits, but not full vouchers.
2. Prohibiting all forms of human cloning. S O
3. Legalizing physician-assisted suicide. S O
4. Excluding newborn children conceived while their mothers were receiving welfare from the calculation of the family's welfare cash grant. S O
5. Prohibiting state and local government agencies, including police departments, from accepting matricula consular cards as a form of identification. S O
6. Amending the United States Constitution to define marriage as the union of one man and one woman. S O
I believe marriage is a right of the state to decide, not a national issue.
7. Requiring informed consent for abortion to inform a woman considering an abortion about the medical and psychological risks, fetal development, and abortion alternatives, and to include a 24-hour period for the woman to review the information. S O
I do not think the legislature should decide how long a woman has to wait to abort.
8. Establishing and maintaining a statewide public defender's office to provide adequate legal representation to those facing the death penalty. S O
9. Making the presence of undocumented immigrants in Arizona a felony. S O
10. Mandating healthcare providers to facilitate the distribution of "emergency contraception" (i.e., morning after pills). S O
Not sure.
11. Exempting nonprofit religious organizations from any contraceptive mandates that may violate the tenets of their faith. S O
12. Simplifying the existing tax credit for donations made to nonprofit charitable organizations serving the working poor so that people who do not itemize their taxes are eligible to participate. S O
13. Creating a temporary guest worker program to provide foreign workers to Arizona employers experiencing a labor shortage. S O
