# Voters' Guide

Earlier this summer, candidates running for office were presented with a series of 12 statements and asked to identify whether or not they Supported or Opposed them. Some candidates chose not to answer the survey while others took time to elaborate on their answers (\*).

The Arizona Catholic Conference is the public policy agency of the Diocese of Phoenix, the Diocese of Tucson, and the Diocese of Gallup. We have produced this guide as an important educational tool to provide unbiased information on the upcoming elections.

Pursuant to Internal Revenue Service requirements for churches and nonprofit organizations, this document does not endorse candidates or indicate our support or opposition to the questions. The ACC Voters' Guide, however, is an excellent source of information on the candidates' positions on current issues. Included on the ACC Voters' Guide are races covering the U.S. Senate, U.S. House of Representatives, Arizona Governor, Secretary of State, Attorney General, Treasurer, Superintendent of Public Instruction, State Mine Inspector, Corporation Commission, State Senate and State House. It is important to remember that members of the State Senate and State House are elected by legislative district. Each legislative district includes one State Senator and two State Representatives. To find the legislative district you live in, and to view the official ACC Voters' Guide, go to [www.azcatholicconference.org](http://www.azcatholicconference.org).
