Position sought: House, Legislative District 7
Political party: Republican
Email: kburroughsk@cox.net

1. support -- I support vouchers and ESAs
2. support -- I oppose embryonic stem cell research from fetuses.
3. oppose -- I oppose euthanasia
4. oppose -- I oppose not supporting children of welfare mothers, but I do want welfare reform.
5. support -- I do not believe that any ID issued from foreign countries should substitute for US issued ID
6. support -- Yes, one man and one woman
7. oppose -- No funding of abortion with tax dollars.
8. oppose -- I am opposed to the death penalty. The defender's office, though, is adequate for all crimes.
9. support -- Illegal immigrants committed a federal crime when they crossed the border. States are unfortunately compelled to enforce this federal law, within their jurisdiction, if the federal government either refuses or is unwilling to uphold their Constitutionally proscribed duty.
10. oppose -- Health care providers should not be compelled to do that which affronts their conscience or faith.
11. support -- I believe that all donations to charity should be tax deductible.
12. oppose -- In theory, I would like a temporary worker program, but not until the border is sealed.
