

In the Divine Image: **An In-Depth Look at Theology of the Body***

Friday October 1, 7-9 pm and Sat. October 2, 9 am-5 pm

Diocesan Pastoral Center, downtown Phoenix

If you thought Theology of the Body was just about sexual intimacy here's your chance to discover there's more! Through this workshop, participants will learn how to:

- Explain to others the background and meaning of *Theology of the Body*.
 - Describe why *Theology of the Body* is intensely significant for people in ALL states of life; not just for married people.
 - Explain how *Theology of the Body* applies to parenting, religious education, the workplace, the single life, youth ministry, priesthood, RCIA, and marriage prep.
- **Instead of just hearing about Theology of the Body, you will “walk through” all five sections to encounter John Paul II's reflections on original sin, redemption, heaven, celibacy, marriage, and *Humanae Vitae*.**
- **Who should attend?** Whether you're single or married, in ministry or just wanting to learn more, don't miss this spiritually rewarding, intellectually enriching, and catechetically practical day. **You can also receive 8 hours of continuing education credit!**
