Fundamentals of the Culture of Life is a program that contains a series of modules that includes multimedia and audiovisual presentations with the necessary information to bring help and support to the ministers and coordinators of the Matrimony Preparation and Respect for Life (Pastoral Family).

It's a systematic, integrated program that offers bible resources with church documents like "Gaudium et spes"; "Familiaris Consortio" and Theology of the Body.

These resources are an effort of the Department of Family Catechesis and the Office of Marriage and Respect Life of the Diocese of Phoenix.

Diocese of Phoenix

400 E Monroe St
Phoenix, AZ 85004
