Introducing YOUCAT, a new youth catechism especially for the teen crowd, written following the structure of and cross referenced to the *Catechism of the Catholic Church*, but with lots of graphics in 4 color and designed for teens. YOUCAT has been approved by the Congregation for the Doctrine of the Faith and will be part of the pilgrim's pack at this summer's World Youth Day in Madrid.

YOUCAT is the new reference book of faith written especially for youth in a youth format at the Pope's request. Regardless of which catechetical series is being used throughout your diocese, YOUCAT is that one volume work they can take home and read to deepen their faith on their own or research a particular subject facing them today. With an expanded subject index in the back, every teen can look up those issues he or a friend is struggling with or needs an answer for.

And with this catechism for youth to be used around the world, YOUCAT will create of bond of unity in faith and mind as teens exchange thoughts beyond cultures and local settings.

Unite the youth in your diocese and beyond. Give them all a common thread of faith and a sure reference tool to guide them through the many challenges they face in the world today. **Give them YOUCAT.**
